# Commute Choices

# Welcome to Commute Choices

Commute Choices is a program that describes **<company name>**'s employee transportation elements.

We all know that getting to and from work can be challenging. But when resources and tools are in place to help with your commute, the process can be much easier.

With Commute Choices you:

- save time, money and wear-and-tear on your vehicle
- reduce stress and help alleviate traffic congestion
- do something good for the environment
- assist **<company name>** in meeting its annual commute goals

Commute Choices includes carpooling, vanpooling, bicycling, riding the bus or train, or walking to work.

Take a closer look at your commute resources...

Be healthy, have fun — bike to work!

We reward you by offering incentives for commuting:

**<program elements and copy points customized here>**

FlexPass

Receive a free annual pass that provides unlimited access to Metro or Sound Transit, and Sounder Commuter Rail. Relax, ride the bus or train, and do something good for the environment and our region's traffic congestion.

Vanpooling

Participants receive up to **<\$ benefit level>** per month benefit. A great way to share the ride and expenses with other commuters.

Vanshare

Participants receive up to **<\$ benefit level>** per month benefit. Use this service to connect from ferry, bus, or rail to your worksite.

Guaranteed Ride Home

Get home fast and free by taxi in the case of an emergency. Available to employees who commute to work by bus, train, vanpool or carpool. Up to **<x>** trips per year, per employee; up to 60 miles one-way, multi-stops allowed.

Parking program

Parking on-site is a benefit where and when availability allows.

Bicycling and walking

Both great ways of getting to work and getting your exercise. For your convenience lockers, showers and covered bike racks are available for employee's use.

Alternative work schedule

Flexible work schedule or telework options available. Consult your manager.
